## A BIKING CODE FOR OUR COMMUNITY

By following these Watergate rules and friendly guidelines, we can ensure everyone has a wheel-y great time while staying safe on the roads. Let's pedal together for a fun and responsible biking experience!

- **Keep Your Head Protected:** If you're 14 years old or younger and hopping on a bike, always wear a cool and protective helmet that meets the standards set by the Consumer Product Safety Commission. Safety is the key to endless adventures!
- **Go with the Flow:** When you're cruising around, make sure to ride your bicycle in the same direction as traffic. Stay on the right side and close to the edge of the roadway to let those wheels roll smoothly.
- **Shine Bright, Day and Night:** When the sun goes down or before it rises, don't forget to equip your bike with a white light on the front and a red reflector on the rear. Be visible and let your bike sparkle!
- **Pedaling Paths:** Let's keep the sidewalks and pedestrian painted walkways free for everyone to enjoy!
- **Stay in Motion:** Scooters, hoverboards, and roller skates are NOT permitted in Indoor common areas, garages and sidewalks.
- **Terrific Times on Two Wheels:** Explore the community freely on your bicycles, but remember to keep them off the Lower and Upper Terraces, garages and sidewalks.

Moving forward, any non-delivery cars found parked in delivery spaces within the hours will be **immobilized (booted)** without prior notice by Patrol Services.
