WATERGATE ROUND-UP

By Gary Dahl, Board President

Photo: Gary Dahl

We've had an exciting summer at Watergate Landmark (WAL) even though it's almost over. Our successful Outdoor Pool season ends

as the daily schedule ceases after Labor Day. The Outdoor Pool will open a few weekends this month (September 12 - 13 and September 19 - 20) before it closes for the year.

Association Contract Updates

The Board recently approved two contracts of significance:

- Schindler's elevator service contract was extended five years as it was set to expire on April 1, 2021. The new contract starts on October 1 and will be \$110,763.24 each year. The extension brings the new contract in line with WAL's Fiscal Year (FY) schedule. The prior contract was for 10 years and the Association negotiated a 10% reduction in the annual contract beginning in FY2021, resulting in a \$10,000 savings. The Project Review (PRC) and Budget Committees reviewed and recommended the approval of the contract addendum.
- Balcony Renovations for Bldg. 4 at a cost NTE \$785,927 were ap-

proved. The Project Engineer is Structura and the contractor is Consolidated

Waterproofing. This team did well with the Bldg. 2 Balcony Renovations and is expected to do the same for Bldg. 4. The work in Bldg. 4 should start later this month or in early October pending building permits. The Board re-sourced the Bldg. 1 Balcony Project to begin in late FY 2021. The PRC and Budget Committee recommended the Board approve.

FY 2021 Assessment Notices

This month you will receive the letter detailing your monthly condominium assessments for FY 2021 which begins October 1, 2020. The increase will be 1.84%. Only essential projects and operational requirements were placed in the budget by our Budget Committee. This keeps the assessment increase to an absolute minimum and prepares the Association for future required projects. A significant amount of your monthly assessment, 17%, goes toward servicing loans that unit owners approved years ago. It takes \$228,876 a month or \$2.7 million a year to service the loans, of which \$45,101 is our monthly interest (or \$541K per year). To date, WAL's owners paid down 42.3% of the \$26 million in loans financed by the Association.

Bravo, Budget Committee!

I thank the Budget Committee for the hard work and time put into the FY 2021 budget process. Without the Committee's effort and dedication, the Association could not have developed an efficient and effective budget. I especially thank the Budget Chair and Association Treasurer, Susan Boldin for her efforts and numerous hours spent all year in keeping our financials in order.

Maintenance and Painting

We've spruced up the doors and hallways with painting and touch-ups for Bldgs. 1 and 2 as work resumed in August. From here, the Maintenance Team will move to Bldgs. 3 and 4. The front portico damage/burned-out light and wall above the Bldg. 1 B2 garage entrance are repaired as well. In August, a new sidewalk with curb cutouts for accessibility was installed at the curved roadway on the backside of Bldg. 1 by Pet Area 1. Residents no longer must walk in the street in this area.

The Association will mail FY 2021 budgets and condo assessments letters this month!

Our property is looking better every day. As fall arrives, maintenance projects will continue. If you see something that needs attention, please contact our Handyman Coordinator.

New Website Beta Test

Our FirstService Residential (FSR) website will eventually transition to a new name, web location and functionality. Updates are in progress, but please continue using the existing legacy website for FSR until the new site is fully certified. If you are interested, however, there is a link to the future (beta test) "Watergate at Landmark WAL Connect" resident site on www.watergateatlandmark.com/fsr-website-firstservice-residential.html. To use the beta site, you must create a new login and password. Please provide comments via email or written correspondence to our Communication Manager. Your feedback will help in the concerted effort between WAL staff and FSR to prepare for the transition. In the coming months, the Association will conduct webinars and other training for residents before the new site replaces the existing one.

Have a great September. Remember to mask up and social distance!

CONNECT TO DOOR KING VIA MOBILE PHONE!

By Rashawnda Atkinson

Residents commonly ask whether there's a way to connect their mobile phones to the DoorKing system so they can grant entry access to visitors and to delivery persons. This desire is understandable the convenience of such and more people ditch the land-line phones for a mobile phones exclusively. Our DoorKing system restricts the numbers used to one of the following zip codes: 202, 240, 301, 571 or 703, however. What can you do if your phone number doesn't begin with one of those area codes or you want to keep your phone number's privacy?

You've Got Options

Before you contemplate the potential hassle of changing your phone number or adding another line to your phone plan, there may be a way for you to get a local "burner" phone number for low- or no-cost. A popu-

There's multiple ways to connect your mobile phone to the DoorKing system.

lar method is to obtain a Google Voice. At the time of printing, users must have or need to obtain a Google Email (or Gmail) address. Choose a local number when registering via the following website: voice.google.com. TextNow is a Google Voice alterna-

tive recommended by the AARP. This 8-year-old app also does many of the same things as Google Voice. Plus, if you or a loved one have an old phone lying around, you can use it to receive and take phone calls using a wireless network connection that you can access. Download TextNow for Apple, Android and Microsoft platforms at <https://www.textnow.com/downloads>.

Connect to the DoorKing

Be certain your "burner" number is linked to your mobile phone so you can receive calls prior to connecting it to the DoorKing system. Once that's done, give your name, Bldg. and Unit along with the desired number to be used to Resident Services via phone (703-370-7000) or email (resident@watergateatlandmark.com). Only one phone number per unit can connect to the DoorKing system.

CHEERS TO THE WEEKEND!

WATERGATE RESTAURANT OPERATIONS AND CHANGES AMID COVID-19

By Rashawnda Atkinson

Watergate at Landmark Restaurant and Market owners Suresh Adhikari and Bipin Pokharel implemented several changes aimed at optimizing service and prioritizing safety during COVID-19.

Clean Eatin’

Whether you’re eating alone or meeting a few friends, you’ll enjoy the booths or the lounge areas they’ve put in—properly social-distanced, of course. “Masks are required for our staff and guests,” Suresh said. Additional COVID-19 precautions enacted at the Restaurant and Market include cleaning common touch points with a disinfectant and sanitizer once guests leave, requiring staff to wear gloves and masks at all times and installing a hand sanitizing station accessible for staff and guests. “We are cleaning the floors regularly, wiping down the high-touch areas with disinfectant as often as we can,” he added.

Snacks and Libations

The restaurant also has a convenience store where you can buy common items closer to home. It recently obtained their full liquor license so you can choose to buy from

Now you may order alcoholic drinks to be served inside or out.

their wine or lager selection. You can have this and other menu items delivered to your unit on Wednesday – Sunday with an order of at least \$25. Credit or debit cards accepted via phone. Checks or cash in exact change accepted upon delivery. Delivery people will not have change. Restaurant orders will not be taken after 8:30 p.m. The Market will still be open until 9 p.m.

Keep the Watergate at Landmark Restaurant and Café the next time you’re craving breakfast at noon, a gluten-free sandwich or a made-to-order pizza! Note that the hours will be from 8 a.m. - 9 p.m. each day this month.

UNIQUE TREASURES

By Jim Mignerey, WAL Resident

After deciding to move to the Northern Virginia area to be near our children and grandchildren five years ago from our single-family home in Ohio, my wife and I asked our Realtor—who's also our daughter—to scout out places for us. After following a lead, she came to WAL. "You won't believe this place. It's a freaking resort!" our daughter said.

Well, we are still waiting for someone to bring us our umbrella covered fruity drinks as the Outdoor Pool's waves lap at our toes. But our daughter was close! We bought here and have never regretted our decision. Besides misty visions of dolphins outside our windows, we found out the amenities at WAL are the best in the area. One amenity, however, became foremost in both our minds...an *ACTUAL* library! Not just a few books left on a ratty card table, pushed over in a corner of a seldomly

used activity room. It is a real, honest to goodness, library with thousands of books!

One thing that we left behind in Ohio was my personal library of about 500 books. The WAL Library more than makes up for that loss, as its comfortable chairs and colorful shelves is

Read a "treasure" or two at our Library!

like my second home. After my workouts in the Fitness Center, I cool off by reading in the Library for a few minutes. Sometimes, I'd see older residents wander in looking for a poetry or mystery book, young mothers with their toddlers in tow searching for a Dr. Seuss or Winnie the Pooh story, young adults working on a doctoral thesis and residents brows-

ing the magazines and the shelves for a good read to take to their balconies.

We have world-class amenities here at WAL, but when I sit in the library and watch Realtors bring potential buyers through on a tour, I love when I hear: "Here is their *library!* Can you believe that? An actual library right where you live!" Folks, *that* is a big selling point. It sure was for me!

Many WAL residents donated their time, literature and energy to keep this amenity in prime condition. We owe them a debt of thanks for what they accomplished over the years. Our Library still has some dedicated people who care for the library because they love books and WAL. And this is done without funding from the WAL budget!

Come in, find the things you like to read and take it home. Just, please, bring it back! If you have a new book you've finished, consider sharing it with neighbors. After all, this is our library. Use it and you will love it as much as I do...perhaps even more!

An advertisement for GNA Bath & Kitchen. The left side features a red background with the GNA logo (a yellow house shape above the letters 'GNA') and the text 'BATH & KITCHEN' in white. Below this is a yellow banner with the text 'Full-Service Remodeling All Under One Roof'. Further down, in white text on the red background, it says 'EXPERTS IN BATHROOM & KITCHEN RENOVATION'. At the bottom left, the phone number '703.205.0031' and website 'GNAhome.com' are listed. The right side of the ad shows a photograph of a modern bathroom with white marble-look tiles, a white sink on a chrome stand, a toilet, and a shower area. The text 'SCHEDULE YOUR APPOINTMENT TODAY' is overlaid in white and yellow at the top of the photo. A small license number 'LIC #2705113997A' is visible in the bottom right corner of the photo.

A DREAM COME TRUE

ONE OWNER'S RENOVATION EXPERIENCE

By *Rashawnda Atkinson*

Have you been wanting to renovate one or more areas of your unit but aren't sure how to start? Renovator's Showcase offers residents and potential owners the opportunity to see how other residents transformed old units into their dream homes.

Sadly, there'll be no Showcase this year, but with this in mind, the Wheel asked Fran Blanchard of Building 4, whose remodeled unit was included in last year's event, to walk us through the process.

The Beginning

An Arlington native, Fran bought her unit in 2019 on returning from Turkey where she'd lived for 39 years. In keeping with her new stage in life, Fran opted to completely remodel her corner unit. After asking her new neighbors for contractor recommendations, she chose Jésus Contreras because he respected both her ideas and her need to stay within her budget.

Fran says her primary goal was to bring more natural light and space into the flat to set off her Mediterranean decor. The work included making a half-wall at the entrance, opening the dining area, updating the kitchen, enlarging

Fran's entrance includes a sign that means Welcome in Turkish.

the master bathroom, retiling both bathrooms and replacing carpeting with soft-hued vinyl flooring to showcase handmade Turkish kilims and carpets.

Learn Your Taste

"The project wasn't my first renovation but this one was a stretch," she commented. "My contractor and I were both new to the area so we had to build trust on both sides. He only had one unit and a bit of kitchen work to show me but I went with that and I'm so glad I did."

"I wasn't familiar with materials or how things are done stateside so starting was the hardest part for me. Getting the right contractor and all those permits was time-consuming. I needed get more realistic. It took about 9 weeks from start to finish but the results were amazing."

"Jésus started by lending me several home decorating books and taking me 'shopping' in a few high-end stores so he could learn my taste. Then he helped me pick out similar but less-expensive building materials from local hardware stores. It didn't take him long to understand the ambiance I wanted the flat to have - something reflecting the sunlight and hospitality of Turkey," Fran shared.

"When you make changes, start with what can't be changed. Work with what your unit 'gives' you. If you have a good view, maximize it. Natural light? Maximize it. Keep your budget in mind and be open to alternative ways of doing something," Fran suggested. "I wanted to enhance my balcony's view of nature and to open up space so that my wall and floor colors, window treatments and half-wall are meant to pull the out-of-doors inside."

You Can Do It!

“It’s been over a year since we finished but the joy and deep peace I feel when I walk inside is fresh every time. I especially love my sunny living room and terracotta-tiled master bathroom with its round vessel sink, half-wall and sliding barn door,” she concludes. “I really hope some of your readers opt to make their own dreams happen this fall.”

Photos Pictured (Clockwise from Top Left): 1. The living room has an open feeling thanks to the half-wall placed near the entrance to the unit. 2. The herringbone pattern on the renovated kitchen floor draws creates visual interest. 3. The view of the Japanese Garden that Fran enjoys from a window in her unit. 4. The master bath features a glass shower divider, new tile, lighting fixtures and a copper-colored glass sink.

HELPING HANDS

SENIOR SERVICES OF ALEXANDRIA OFFERS RESOURCES AND SERVICES

By *Rashawnda Atkinson*

It's great to know there are people who want to help seniors live their best lives right within our City. Senior Services of Alexandria (SSA) is a non-profit organization that seeks "to foster independence and self-sufficiency, enabling seniors within the City of Alexandria to age with dignity," according to its website [About Us](#) section.

The Wheel was able to interview MaryAnne Beatty, SSA Director of Community Outreach, and some SSA volunteers who live at WAL about what the program offers, its potential impact for seniors and ways to volunteer.

Describe the services and programs SSA oversees.

MaryAnne: SSA operates the Meals on Wheels delivery program and DOT Paratransit Program for the City. We also offer a fee-free Groceries-to-Go service. Additionally, SSA presents educational programs through various events, including a speaker series, and a monthly cable television production, Senior Living in Alexandria. SSA and the Animal Welfare League of Alexandria operate the AniMeals on Wheels program, which provides food for pets of low-income seniors. SSA's Friendly Visitor Program matches volunteers with seniors for weekly visits, enhancing connections to the community and SSA's Silver Service Card affords discounts to local seniors at select local businesses.

Tell how COVID-19 impacted SSA's operations.

MaryAnne: In the midst of the pandemic, SSA continues to provide daily delivery of Meals on Wheels, a new frozen meal program for older adults as well as its Groceries-to-Go program. The DOT Paratransit pro-

gram continues its essential services with SSA taking reservations. This is possible because of our dedicated volunteers and we use strict health protocols to keep both the clients and volunteers safe.

Some programs have gone virtual, including the Friendly Visitor Program that has connected more isolated seniors with volunteers for weekly phone visits and corresponding by mail. Our 2020 Senior Law Day happening this month will be on Zoom.

You spoke at length about the Senior Ambassadors. Who are they and what do they do?

MaryAnne: The goal of a Senior Ambassador is to pass along infor-

SSA offers training and continuing education opportunities for whoever wants to be a Senior Ambassador.

mation about programs and services relevant to older adults, serving as a point of contact if anyone has a question or concern. SSA is always looking for Senior Ambassadors. We will provide our Ambassadors training and continuing education opportunities so they learn more about the programs that the City of Alexandria offers older adults. Due to COVID, they attend weekly Zoom calls with a guest speaker from the City or a non-profit organization discussing the services and programs. We have 90 Senior Ambassadors to date and four of them are Watergate residents: Susan Day, Cedar Dvorin, Patricia Espinet and Suman "Sue" Nayyar.

It's good to know WAL residents volunteer with SSA.

Sue: I was a Friendly Visitor at WAL for several years. I became a Senior Ambassador a few years ago after

learning about their program. I am also a Dementia Friend because as many of us approach our golden years, we or a loved one may face this disease. As a Dementia friend, I would contact and stay in touch with someone living with dementia. I would inform the Dementia caregiver of any programs and relevant information. Dementia is not a normal part of aging and I wanted to help those as they age.

Cedar: I went to training when the program started. I was keeping the senior display [near the Activities Office] filled before everything shut down [due to the novel coronavirus]. MaryAnne sends us emails about events and services. I pass on what seems most relevant to Management for the Friday Flyer and/or the Wheel and to the Senior Committee.

Sue: As a Senior Ambassador, I helped people get information on the subsidized transportation program. If they are not able to do it themselves, I get the forms and help them fill it out sometimes. As a Friendly Visitor, I was able to get the person started with SSA's meal delivery service for homebound seniors. I visited my Friendly Visitor weekly and by phone. I even brought in her mail and other things beyond the call of duty.

Cedar: I became a Senior Ambassador so I can continue to use in retirement, the knowledge and experience I have as a social worker and gerontologist.

Sue: I love helping my senior community at Watergate as a friendly visitor and as a SSA Ambassador.

MaryAnne: A Senior Ambassador is a volunteer opportunity that is flexible. A volunteer can devote as little or as much time as they are able. SSA has enjoyed a very interactive relationship providing education programs and delivering services as needed at Watergate. Please visit <http://www.seniorservicesalex.org> or call 703-836-4414 to learn more.

WILL YOU BE SPELLBOUND?

By Carolyn Winters, Social Committee Chair

Please join actor and magician Lars Klores in a reality-bending virtual performance of his new show, SPELLBOUND, exclusively for Watergate at Landmark residents on Saturday, September 26, at 5 p.m.

SPELLBOUND features astounding acts of magic and mindreading, with effects that happen in your own home! This show, made available through your home computer, will manipulate your eyes, your mind, and even your hands, altering perception until you'll not know what to believe.

Ticketholders will receive a sealed mystery package and be asked not to open it until the performance. They will experience magic right in front of them while the magician performs in an entirely separate location.

Lars has been a practicing magician for more than 20 years and is a two-time president of the Washington, D.C. chapter of the Society of American Magicians. Watergate at Landmark residents may remember him from his one-man show, ORSON THE MAGNIFICENT, about the life and magic of Orson Welles, which played here in 2018 and subsequently to sold-out houses in multiple runs throughout the area. D.C. Theater Scene rated it five stars and Maryland Theatre Guide called it, "A night of captivating bewilderment!"

When asked how he came up with the idea for this new show, Lars responded, "Many theaters are starting to experiment with virtual productions," he said, "but with magic, so much of the impact is in the person-to-person

contact. I asked myself, how can I take the impact of a traditional magic show and use these new restrictions to increase the impossibility of what is happening? I wanted to take that idea a step further and connect with my audience in a more tangible way. The mystery packets are a way to do that. The mystery is not what's inside those packages, the mystery is what will be created by what's inside. My hope is that my audience leaves the performance of SPELLBOUND feeling that anything is possible."

SPELLBOUND runs for approximately one hour. Tickets are \$20 per household. It is geared toward adults but is appropriate for children eight and older who have an interest in magic.

Tickets can be purchased in the Activities Office. Stop by or call 703-370-7092 for details. Once numbers are finalized, an interactive packet with the login instructions will be distributed to ticketholders.

SPELLBOUND THE MAGIC AND MINDREADING OF LARS KLORES

A virtual performance including astounding effects that happen in your own home!

DADDY'S GIRL

By Mark Drake, Board Member

Breezy, September 2020's Pet of the Month, belongs to Jeff Ammons. The 8-year-old Jack Russell Terrier is full of energy. She loves to take rides in the car, especially to the park or car wash. Breezy barks like a maniac at the car wash attendants! Still, I think she's a people person and loves to walk with Jeff or his friends. Although Breezy likes to greet other humans, she's not so sure about other dogs. She's improved a lot about in the past year, though, and Breezy even has some best dog friends—Luna, Max and Bear! She loves to hang out with them and their owners. But, she loves her owner Jeff the best. He spoils her rotten and she is a Daddy's girl!

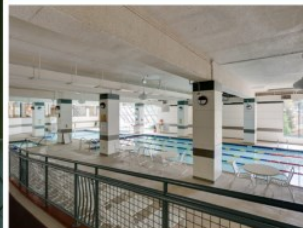

Breezy really enjoys her strolls around Watergate and viewing the many beautiful sites we have here. She especially loves to watch the sand volleyball games. Maybe Breezy wishes she could play, too...Anyways, if you see her around with Jeff or a friend of his, be sure to come up and say hello!

Have a pet you'd like to feature for the Pet of the Month? Send your story to Deb (debfreile@gmail.com) or Steve (sclunn@yahoo.com). Please submit your story in first-person rather than your pet's voice.

Hello pet owners and pet enthusiasts of WAL! The Pet Committee wants to alert you to some of the planned events in the coming months.

Doggy Swim 2020

Due to the on-going COVID-19 situation, the Annual Doggy Swim will be on Saturday, September 26, or Sunday, September 27, from 10 a.m. to Noon. This year's event will be a one-day event scheduled for Saturday with an alternate rain day on Sunday. As some of you know, this annual event is very popular since it marks the end of the summer season and the closing of the pool. Due to COVID-19 concerns, however, we will limit the number of people and pets this year. Entry to the event will be on a first-come, first-served basis. Pre-registration is recommended at the WAL Activity Office and dogs must

meet current pet registration requirements. Unfortunately, non-WAL residents will not be allowed to attend this year to keep within the protocols estab-

lished for pool operations at WAL. This year's event will not have the usual fee, and consequently, there will be no raffle or vendors present.

Doggy Swim has no entry fee this year.

Everyone will be required to wear a mask and practice social distancing during Doggy Swim 2020. The maximum pool capacity during COVID-19 is 175, but in order to practice social distancing on the pool deck, we request a revolving capacity of no more than 60 people on the pool deck

area at any time during the event. We will check WAL pet ID tags and collect pre-registration forms as you enter. Walk-ups can enter if the event maximum hasn't been met.

Fall Pet Events

This year's Halloween Pet Parade is cancelled. However, it's encouraged for pet owners to submit a picture of your pet dressed in costume to Steve Clunn (Pet Committee Secretary). Submit entries to sclunn@yahoo.com on or before Tuesday, October 13. There will be a separate judging category for dogs and cats. Winners will appear in the November 2020 Wheel.

Our Pet Holiday Photos will occur in December. Details forthcoming.

Pet of the Month

If you have a dog, cat or other pet which you want to grace the Pet of the Month corner in The Wheel, please send a picture and a short 'bio' for consideration to Steve or myself (debfreile@gmail.com). I hope your pet and you continue to be safe!
