### CHECK YOUR BIKE: BICYCLES WITHOUT CURRENT DECALS WILL SOON BE DONATED!

Please be reminded of the need to obtain up-to-date registration decals for all bicycles stored in the garage racks or parking spaces. Bicycles must have a green decal that states, "EXP. Jan 31, 2019."

As per an Association Resolution, bicycles that do not display current WAL registration decals will be removed, stored for 30 days and then disposed of as necessary. Patrol Services will begin culling racks on April 1. If you haven't done so already, protect your bike! Free 2018 bicycle decals are available at the Registration Services Office.

### PET AREA CLOSURES

Some Pet Area treatments were rescheduled due to last week's inclement weather. Thus, the Pet Areas will be closed as follows:

**Pet Areas 1 & 3: Monday, March 26,  
Wednesday, March 28**

**Pet Areas 2 & 4: Thursday, March 29**

### TAX BASIS LETTER

Each year our auditor, Goldklang Group CPAs, PC provides a tax basis letter with a figure for unit owners to use to make potential increases to the tax basis of their units. A copy of this document may be picked up at the Resident Services desk or downloaded at [www.watergateatlandmark.com](http://www.watergateatlandmark.com).

### HELP PREVENT MULCH FIRES

It is once again time for our landscaper to mulch our spring shrub and flower beds. **We ask smokers to please properly dispose of cigarette butts; NEVER toss them from your balcony.** While there is little chance of a California-style wildfire here, newly mulched beds are very flammable, and the Fire Department has been called in the past to respond to cigarette butt related incidents. Thank you for your cooperation in this matter.

### PACKAGE DELIVERY SAFETY TIPS

There has been a recent increase in packages being tampered with or stolen from the front of unit doors here at WAL. To minimize the risk of having your package tampered with or stolen, below are suggested safety tips for those expecting packages:

Retrieve packages as soon as they arrive whenever possible. Use a tracking service to see when your package is scheduled for delivery. If you aren't going to be home to retrieve a package:

- Send the package to the residence of a trusted neighbor or friend whom you know will be home.
- Ask the package delivery company to hold the package.
- Request that your package is marked "signature required."
- Have the items shipped to the nearest store for "in-store pickup."
- Have your packages delivered to you at work, or
- Fill out an authorization form requesting that the package be delivered to the Resident Services Office.

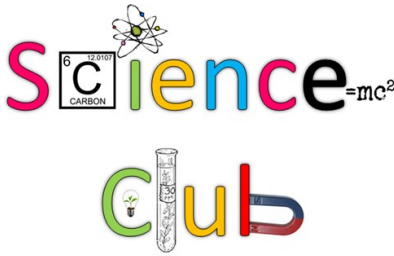

### MAINTENANCE SCHEDULE & UPDATES

**\*PLEASE NOTE THAT THIS SCHEDULE IS SUBJECT TO CHANGE\***

- HVAC/fascia mobilization work on **Tiers 8, 10 and 12 of Building 2** is ongoing.
