HELP PREVENT MULCH FIRES

It is once again time for our landscaper to mulch our spring shrub and flower beds. **We ask smokers to please properly dispose of cigarette butts; NEVER toss them from your balcony.** While there is little chance of a California-style wildfire here, newly mulched beds are very flammable, and the Fire Department has been called in the past to respond to cigarette butt related incidents. Thank you for your cooperation in this matter.

TAX BASIS LETTER

Each year our auditor, Goldklang Group CPAs, PC provides a tax basis letter with a figure for unit owners to use to make potential increases to the tax basis of their units. A copy of this document may be picked up at the Resident Services desk or downloaded at www.watergateatlandmark.com.

CHECK YOUR BIKE: BICYCLES WITHOUT CURRENT DECALS WILL SOON BE DONATED!

Please be reminded of the need to obtain up-to-date registration decals for all bicycles stored in the garage racks or parking spaces. Bicycles must have a green decal that states, "EXP. Jan 31, 2019."

As per an Association Resolution, bicycles that do not display current WAL registration decals will be removed, stored for 30 days and then disposed of as necessary. Patrol Services will begin culling racks on April 1. If you haven't done so already, protect your bike! Free 2018 bicycle decals are available at the Registration Services Office.
