DON'T BE BAD TO THE BONE

It has been noted by Management that leftover chicken and chicken bones are being left on the sidewalk near Pet Area 2. **Please do not leave food or food waste anywhere on common grounds, as it not only attracts unwanted "guests" but also poses a potential health hazard to dogs.** The American Kennel Club states that cooked chicken bones may "break and splinter, which can cause your dog to choke and can also puncture the gastrointestinal tract, or get caught in [the] throat." Please stop this practice.

PET AREA CLOSURES

The Pet Areas will close for flea and tick spray applications on these days, weather permitting:
