Monday, April 29

Conference Rm. 1 • 7:30 p.m.

COMMUNITY PARKING GUIDELINES

Please be reminded that WAL Resident and Guest parking decals must be affixed with the decal adhesive to the assigned vehicle's window/windshield, rather than taped or placed on the vehicle's dashboard. This also applies to the VACD (gate opener). The VACD must be affixed with the decal adhesive to the assigned vehicle's windshield, not taped to the windshield or held up by hand when accessing the property via the automatic Front and Back Gate Resident lanes.

All vehicles parked on WAL property **MUST** display a valid parking decal/pass. **Residents not displaying valid parking decals/passes will have their vehicles immobilized and/or towed without notice.** This may occur even if the owner/driver of the vehicle obtained the valid parking decal/pass but failed to display it as required. So please do not forget to display the parking decals/passes. That way, you will avoid the inconvenience and expense of having your vehicle immobilized and/or towed.

The City of Alexandria and WAL requires all motor vehicles operated or parked on property to display current license plates and Virginia Inspection sticker. Patrol Services Officers conduct periodic patrols of parking areas and garage spaces. They may issue a one-time courtesy notice to vehicles in violation of not properly affixing the WAL Resident Parking decal/VACD or not displaying current license plates/VA Inspections. The violation may provide a reasonable timeline to comply with the City's and WAL requirements. Residents/guests not taking corrective measures may have their vehicles immobilized and/or towed without further notice.
