According to PR 90, audio devices are prohibited unless accompanied by a headset that limits the sounds to the user only. Sounds may not interfere with another user's workout. Public music or video playing as well as audible phone conversations are not allowed.

Also, as a general courtesy, wipe down equipment after use to protect the equipment and your health. Your help to maintain the fitness center is appreciated.

NO SHIRT, NO SHOES? THAT'S A BIG PROBLEM!

As a reminder, please be sure to wear shoes and shirts when walking through the Community Center.

The Board approved increasing the Resale Certificate-related fees as permissible by Virginia law. Additionally, the Resale Application has been updated and uploaded to Connect (under Forms) and www.watergateatlandmark.com in the Other Helpful Documents section of the Resource Documents (found under the Residents Tab). The changes are as follows:

- Resale Inspections increased from \$100 to \$115.
- Preparation and delivery of a hard copy increased from \$150 to \$175.
- Preparation and delivery of an electronic copy increased from \$125 to \$145.
- Expedited Service Fee increased from \$50 to \$55.
- Additional hard copies are still \$25.

COVID-19 RESTRICTIONS LIFTED FOR VACCINATED

Effective May 28, 2021, the Governor of Virginia's Executive Order 79 went into effect. Virginia is now following CDC guidance which **lifts all COVID-19 restrictions for those who are fully vaccinated** (with a few exceptions). The CDC also recommends those who are unvaccinated continue to wear masks and socially distance.

Our pools, fitness center, racquet courts and other facilities are now fully open. Past requirements for completion of COVID-19 waiver forms, mask requirements, and social distancing are no longer required in any of our facilities or common areas.

With that said, please be respectful of your neighbors. It would be best to continue to carry a mask while within our community. Remember people may have health related issues or household members who are unable to receive vaccinations and are therefore committed to wearing masks in close quarters such as elevators and common hallways.
