ISSUES WITH YOUR DELIVERY?

Sometimes you may experience frustration when a package does not arrive in a timely fashion, is delivered to the wrong location or shows signs of damage and tampering. However, we strongly urge you not to engage directly with the delivery persons who bring the packages to WAL. Instead, please contact the respective company's customer service center or visit the store and speak with the customer relations department.

PACKAGE DELIVERY AMID COVID-19

Please retrieve packages as soon as they arrive. Health professionals advise wiping down, washing hands and allowing packages to sit inside for 30+ minutes. Also, you may want to:

- Grant permission to someone you trust to receive the package when it arrives.
- Request the delivery company to hold the package until you or a designee pick it up.
- Choose to have your package marked as "signature required."
- Some stores have an order online and pick it up in-store or curbside pick-up options.
- Although it is common practice here at WAL, please do not have your packages forwarded to Resident Services until the state of emergency has been lifted. An announcement will be made when normal operations resume.

PLEASE USE THE SERVICE ELEVATOR

Whether you're walking your pet or riding your bicycle/scooter, be sure to use the service elevators to enter and exit the building. Management has received several reports concerning people not following the community's rule regarding such.

Note: Passenger elevators are to be used only in the event that service elevators are not in operation or during trash pulling times. Thank you for your cooperation!

FRONT AND BACK GATE REMINDERS

The Patrol Services Department sends a courtesy reminder of the Watergate at Landmark Rule relating to community access via the automatic Front and Back Gate Resident lanes. Vehicles displaying a valid WAL Resident parking decal that do **NOT** have a functioning VACD may **NOT** access the property through the automatic Front and Back Gate Resident lanes. Those vehicles may only access the property through the Front Gate Visitor lane. You can get a VACD for your vehicle at the Resident Services Office as Patrol Services Officers will report violations to Management.

PARKING DECAL REMINDER

WAL Resident and Guest parking decals must be affixed with the decal adhesive to the assigned vehicle's window/windshield. Do not tape it or put it on the vehicle's dashboard.

The VACD (gate opener) must also be affixed with the decal adhesive to the assigned vehicle's windshield. Do not tape it to the windshield or hold it up by hand at the Front and Back Gates.
