BALCONY REMINDERS

Patrol Services wants to remind you of WAL
rules for safe, neighborly and appropriate use of
balconies during summer's beautiful days.

Only electrical grills/barbecues may be used on
balconies, ensuring that odors and smoke do not disturb other occupants.
Nothing may be dropped, thrown or swept from balconies. This includes
water from excessive plant watering or balcony cleaning operations.

Please discard cigarettes and matches in an ashtray or similar container
when smoking on the balcony. **Disposing cigarettes and matches over
the balcony is a safety hazard and is not allowed at any time.** Thank
you for cooperating.

FITNESS CENTER REMINDERS

The fitness center is a wonderful amenity WAL offers. Management has
received complaints about fitness center users conducting phone conver-
sations or loud music volumes. According to PR 90, audio devices are
prohibited unless accompanied by a headset that contains the sounds to
the user only, prevents users from interfering with another's workout.

**Public music or video playing as well as audible phone conversations
are not allowed at any time.**

Also, as a general courtesy, wipe down equipment after use. If sharing
equipment with other users, please wipe them down prior to leaving both
to protect the equipment and your health. Thanks for assisting in keeping
our fitness center second to none!
