## HANDYMAN SERVICE STATUS

The Handyman Service will perform emergency repairs only with an abundance of caution. Thank you for understanding.

## GROCERY OR FOOD DELIVERIES

Remember to call in your Food deliveries. This expedites the entry process and makes certain they are not turned away.

## WHERE ARE YOUR VALVES?

Do you know how to shut off your bathroom faucet or toilet quickly in case of an overflow? The answer has to do with your water valve for each fixture. Be certain you know where they are and see they are turning easily - before you need to. This helps to minimize damages caused in your unit and those below.

## CANCELLATION REMINDER

All events, classes and Committee meetings are cancelled until further notice.

## PARKING LOT SAFETY

Please be reminded that the speed limits are 15 mph on the roadways and 5 mph in the garages. Please observe all speed limits and stop signs on the property at all times to keep everyone safe.

# ROCKLANDS BARBEQUE FOOD TRUCK!

Friday, April 17 • 11 a.m. – 2 p.m.

They're back! Rocklands and Grilling Company of Alexandria will bring their food truck onsite for individual boxed lunches for residents to purchase. There are plans to have two food trucks this time to serve all residents. Preliminary locations are to have one near the Putting Green and another near the Racquet Club.

For orders placed at the food truck, Rocklands will advise customers waiting in line to maintain appropriate distances.

Rocklands BBQ is located off Duke Street near Old Town on Quaker Lane. They have all the required health certificates to operate their food truck.

We look forward to a good BBQ lunch today, Friday, April 17!

# SHUTTLE SERVICE UPDATE

The shuttle currently has a modified schedule that's available to view and to download online at [www.watergateatlandmark.com](http://www.watergateatlandmark.com). Our vendor, Fleet Transportation, wants to share with residents a few precautions they are taking:

- **Passengers MUST wear a mask in order to ride at any time.**
- Drivers have been instructed to not physically contact passengers in any way, to include handshakes or touching bags.
- They recommend clients sit in a zig-zag formation to keep proper distance from each other and the driver.
- The driver will open and close the doors. Passengers should not touch any areas of the inside or outside of the shuttle.
- Once seated, please minimize movement and conversation inside the vehicle.

## PACKAGE DELIVERY TIPS AMID COVID-19

Please retrieve packages as soon as they arrive. **Health professionals advise wiping down, washing hands and allowing packages to sit inside for 30+ minutes.** Also, you may want to:

- Grant permission to someone you trust to receive the package when it arrives.
- Request the delivery company to hold the package until you or a designee pick it up.
- Choose to have your package marked as "signature required."
- Some stores have an order online and pick it up in-store or curbside pick-up options.
- Fill out an authorization form requesting that the package be delivered to Resident Services. Packages must weigh no more than 20 pounds and be no larger than 12" x 18" x 24".

## HELP IN A TIME OF NEED

Did you know there is a WAL neighbor-to-neighbor service being offered via the Resident Communications board in each building's lobby? It includes a sign up for those wishing to help such as shopping for others and a

place for residents to sign up if they are in need of help. To request help, refer someone who may benefit from such services or join Maria's team, you may email [HyM.120719@gmail.com](mailto:HyM.120719@gmail.com) or call her at 703-587-9877.
