TOO MUCH JUNK?

Moving out or have bulk trash (i.e. couch) you need to get out of your unit? Plan ahead, as there is no bulk trash pick up currently and items cannot be left on the Loading Dock. You may keep the items in your unit until bulk pick up resumes or consider using a hauling service of your choosing. These types of companies will remove your bulk trash for a service fee.

COMMUNITY PARKING GUIDELINES

Please be reminded that WAL Resident and Guest parking decals must be affixed with the decal adhesive to the assigned vehicle's window/windshield, rather than taped or placed on the vehicle's dashboard. This also applies to the VACD (gate opener). The VACD must be affixed with the decal adhesive to the assigned vehicle's windshield, not taped to the windshield or held up by hand when accessing the property via the automatic Front and Back Gate Resident lanes.

All vehicles parked on WAL property MUST display a valid parking decal/pass. **Residents not displaying valid parking decals/passes will have their vehicles immobilized and/or towed without notice.** This may occur even if the owner/driver of the vehicle obtained the valid parking decal/pass but failed to display it as required. So please do not forget to display the parking decals/passes. That way, you will avoid the inconvenience and expense of having your vehicle immobilized and/or towed.

The City of Alexandria and WAL require all motor vehicles operated or parked on property to display current license plates and Virginia Inspection sticker. Patrol Services Officers conduct periodic patrols of parking areas and garage spaces. They may issue a one-time courtesy notice to vehicles in violation of not properly affixing the WAL Resident Parking decal/VACD or not displaying current license plates/VA Inspections. The violation may provide a reasonable timeline to comply with the City's and WAL requirements. Residents/guests not taking corrective measures may have their vehicles immobilized and/or towed without further notice.

CANCELLATION REMINDER

All events, classes and Committee meetings are cancelled until further notice.

BALCONY REMINDER

Please check your balconies to ensure that all items are well-secured. Serious injury and damages may occur should something fall.

MY PACKAGE IS MISSING...

Patrol Services Officers no longer collect and deliver Amazon packages not given directly to the resident or placed in front of the resident's unit door. If you do not see your package from Amazon and you know it's arrived, you may track your order (<http://www.amazon.com/help/wheres-my-stuff>) or report a problem with an order (<https://www.amazon.com/gp/help/customer/display.html/?nodeId=201945500>).

UNTIL FURTHER NOTICE...

Fleet Transportation requires all patrons riding the Shuttle Bus to wear masks in order to board until further notice. Thank you for understanding and for complying to help everyone travel safely.

WHERE ARE YOUR VALVES?

Do you know how to shut off your bathroom faucet or toilet quickly in case of an overflow? The answer has to do with your water valve for each fixture. Be certain you know where they are and see they turn on and off—before an emergency. This helps to minimize damages caused in your unit and those below.

STORAGE BIN REMINDER

Our community has storage bins for your convenience. Please make sure the storage area you use is the one associated with your unit number. Please place a lock on your storage bin whether it is in use or not to avoid unauthorized use. Unauthorized use of storage bins may result in the property being discarded without notice or liability on the behalf of the Association.

WHERE'S MY RIDE?

Waiting for an Uber, Lyft, taxi or friend to pick you up at your building? Please call 703-370-2674 (Patrol Services Communication Center) to announce the vehicle's arrival at least two hours in advance.

Doing so may speed up their entrance on property and curtail the lines that sometimes form at the Front Gate. If the pickup is not on file with Patrol Services, the Front Gate Officer will call your unit to for pickup confirmation. If the officer is unable to reach you, the vehicle will be denied access into the community, which may lead to rider fees and undue hardship.

HELP IN A TIME OF NEED

Did you know there is a WAL neighbor-to-neighbor service being offered via the Resident Communications board in each building's lobby? It includes a sign up for those wishing to help such as shopping for others as well as a place for residents to sign up if they are in need of help.

To request help, refer someone who may benefit from such services or join Maria's team, you may email HyM.120719@gmail.com or call her at 703-587-9877.
