Follow us on Twitter by visiting www.twitter.com/watergatetweets, then click on the "Follow" button located towards the right side of the screen. From there, you can create an account or sign into yours if you already have one. Alerts and pictures from various events at WAL may be posted online.

WANT TO COVER THE BALCONY FLOOR?

It's tempting to cover the concrete balcony floor with carpet, "balcony-friendly" tiles and waterproof flooring, but you've been warned:

Placing any covering on the balcony floors is prohibited.

Violators may be referred to Covenants and held liable for damages to the property resulting from these balcony covers!

PLEASE USE THE SERVICE ELEVATOR

Whether you're walking your pet or riding your bicycle/scooter, be sure to use the service elevators to enter and exit the building. Management has received several reports concerning people not following the community's rule regarding such.

Note: Passenger elevators are to be used only in the event that service elevators are not in operation or during trash pulling times. Thank you for your cooperation!

GROCERY OR FOOD DELIVERIES

Remember to call in your food deliveries. This expedites the entry process and reduces the likelihood of delivery drivers being denied access to the property.

If you're expecting an order, we encourage you to periodically check in the hallway to ensure items are not damaged, removed or spoiled.

FRONT AND BACK GATE REMINDERS

The Patrol Services Department sends a courtesy reminder of the Watergate at Landmark Rule relating to community access via the automatic Front and Back Gate Resident lanes. Vehicles displaying a valid WAL Resident parking decal that do **NOT** have a functioning VACD may **NOT** access the property through the automatic Front and Back Gate Resident lanes. Those vehicles may only access the property through the Front Gate Visitor lane. You can get a VACD for your vehicle at the Resident Services Office as Patrol Services Officers will report violations to Management.

PACKAGE DELIVERY TIPS AMID COVID-19

Please retrieve packages as soon as they arrive. Health professionals advise wiping down, washing hands and allowing packages to sit inside for 30+ minutes. Also, you may want to:

- Grant permission to someone you trust to receive the package when it arrives.
- Request the delivery company to hold the package until you or a designee pick it up.
- Choose to have your package marked as "signature required."
- Some stores have an order online and pick it up in-store or curbside pick-up options.
- Fill out an authorization form requesting that the package be delivered to Resident Services. Packages must weigh no more than 20 pounds and be no larger than 12" x 18" x 24".

IT'S A SCAM!

Scammers are stepping up to take advantage of those most vulnerable during the COVID-19 pandemic. Scams can come in the form of emails, phone calls or text messages.

The IRS or US Treasury won't ask you to verify banking information or "sign up" for your Coronavirus relief payment. Anyone calling, texting, or emailing to ask for personal information like your Social Security Number or bank account information is a scammer.
