TRASH ROOM REMINDERS

Each floor has an area dedicated to convenient and safe removal of waste and recyclable materials. Our trash rooms come in handy especially on cold and inclement weather days, and misusing them not only creates an unpleasant environment but also raises the chances of pest control problems. Be sure to advise your children, visitors, housekeepers, contractors, etc. of WAL's trash room rules. Please tie up all open food containers (with food residue still inside) in a bag and place it directly into the trash chutes. Do not leave it in the recycling bins or on the trash room floor.

Place newspaper, magazines, junk mail and other paper on the wall-mounted wire shelves for recycling. Rinse aluminum cans, glass bottles and jars, metal cans and plastic beverage containers and place them in the plastic recycling bins. Break down boxes larger than a shoe box and take to the loading docks.

EXTENDED RACQUET CLUB HOURS BEGIN MONDAY

Starting Monday, November 16, 2020, the Racquet Club will open from 6 a.m. to 11 p.m. seven days per week. Holiday hours may vary. Access will be provided via keyless fob entry after a completed, signed waiver agreeing to the Club's temporary rules and the requesting resident's fob are brought to Resident Services. The resident's fob will then be programmed to allow Racquet Club access.

All Racquet Club users must also read and complete the COVID-19 waiver found in the Club's lobby prior to each use of its facilities.

WANT TO RUN FOR THE BOARD?

Pick up candidate packets and petition forms at the Association Office or Resident Services starting Wednesday, November 18, 2020 after 12:30 p.m. **Submit applications no later than noon on Saturday, December 19, 2020.**

Four open positions on the Board of Directors will be filled in this upcoming election at WAL. Three candidates with highest percentage of votes will be elected to three-year terms; one candidate with the next highest percentage of votes will be elected to a one-year term.

NEW WASHERS AND DRYERS

New coin operated commercial washers and dryers were bought and installed in Bldgs. 1, 2, 3 and 4. In Bldgs. 1 and 2, the laundry rooms are in the B-1 level service elevator lobby. In Bldgs. 3 and 4, they are in the G level service elevator lobby.

The new washing machines are top load heavy-duty washers. **The washers are \$2.50 per load and dryers are \$2.00 per load.** The machines only accept quarters.

EXPECTING A GUEST? GIVE YOUR BLDG. ENTRY CODE

In addition to calling Patrol Services to pre-authorize your guests, contractors, delivery service, etc. prior to their arrival on the property, please ensure that you provide them your three-digit building code. They can enter such to telephone you from the lobby or loading dock using the Door King telephone panel. This helps to reduce wait times and to curtail the dependence upon a passerby to open the door. You may also consider meeting them in the lobby if you know when they are scheduled to arrive. Doing so helps to maintain our building's security and protects residents from potentially dangerous situations.
